THE ELDEN RING

• By KAITU NAMOTO, DAIGO & TAKAMUNE • TO BE RELEASED IN JAPAN IN FEBRUARY, 2018

Kitsu Namoto has a beautiful voice, and is a very kind woman. While singing, she often reminisces about her happy memories. It was the softly spoken voice of this young girl that first attracted me to her.

Additionally, Takumi is an older, hardworking man. He is the leader of a traveling-performance troupe who have given up on their life of travel for some time now.

We lived very freely with our hearts and minds, as young people. We traveled to every corner of this wide world, forming a single, amazing group.

In the late summer of 2005, we learned that one of our own, Kitsu, was soon to be married. We were no longer going to the same places, separate by family and town. Although we still had our own, unique friendships, the journey to a new life would soon change our lives. I don't know how our hearts felt. Perhaps we were simply prepared.

In any case, we decided to carry on with our life as before. Working with a smile and working hard at our

What's new in Elden Ring:

In Summoner's War, world destruction has begun and a conspiracy has begun to fall. You are Calliope, the goddess sent from the Lost Land, Peridexia. As a descendant of the long-separated gods, you were given the responsibility to save the Lost Land, and you have received your wish. The ruins of the enemy's strongholds that you have destroyed are heavily guarded by the remnants of their army. Protect the fallen gods to ensure their world's safety. In this game that emphasizes the human form and works to create a refreshing fantasy world, fight battles in a variety of ways and find new memories together.

Developer Hello! First, allow us to present the game's voice actor and director. - Ryotaro Okiayu is the character designer and director of "Kami no katana (The Sword of God)", an anime series for Ghibli. - Goro Katagiri is the director of "Sakura no kiso (Deep blue cherry blossom)". - Yo Kusanagi is the main singer of the affiliated band of the flower illustrations in the sequel of the "Sakura no kiso" anime.

The setting for the game is an era in which the first Ninja warriors forged their clan name ("Shinsengumi").

Combining the generation techniques of Hollywood film and the blade-swing motion of God of War, the action of the game smoothly transitions from cutscene scenes and hand-to-hand battles to real-time fights. A time travels have ended and our hero who was born in the future walks to a future where the Shinsengumi continue to exist while each other works to save him. The hero is a young man who wakes up in a village located in an era in which the Shinsengumi operates.

In the game, you progress by defeating enemies to move forward while gaining cards that are used to improve your character. You can perform certain tasks when certain conditions are fulfilled, or simply explore the game world.

Elden Ring is an action-adventure fantasy RPG, where you play as one of several player characters in a sprawling world of lands between the living and the dead. You will be able to develop the character you play as, gain skills, fight powerful creatures, craft new items, and team up with other players to conquer dungeons and defeat monsters. Towns where people live are connected by means of stone bridges that span small lakes and valleys. The lands between are covered with open fields or vast forests that divide the lands into distinct regions. It is a world where the people of the Two Fluffy Kingdoms, The Land of Life and The Land of Death, unite in peace.

The Elden Ring

A world of hell. A world of gods. A land of monsters. Where would you like to breathe? The times are rough. The world is chaotic. If you fail, you'll be carried off to the Underworld. If you are defeated, you'll be eaten by the monsters, and on the other hand, if you succeed you will obtain great rewards. You too can lord over the lands between, clash with the monsters, and gain great gains...
