Some people will be putting on their

---

pajama pants, some will be in their birthday suits, and some will have skipped bath time and the like. Some will be braiding doll hair and others will be braiding their dreams. Some will be skipping breakfast, others will be having lunch on a full stomach. Some will be basking in their glory and others will be suffering the gnawing pain of reality. Some will be paying bills, others will be spending a few hours at the gym, and others

---

will be suffering the hell of the working world. Some will be venturing into the rain, while others will be shivering from lack of shelter. Some will be living on a park bench, while others will be living in spacious yurts. Some will be having a real cup of coffee and some will be drinking their hot chocolate. Some will have found a new purpose in life, while others will be fighting their subconscious to return to the safety of the real

---

world. Some will be experiencing a moment of peace and others will be suffering at the hands of the realities of life. There's a lot to be said about this, but I'm not going to go too deep into the philosophical arguments. Suffice it to say, some people will be playing this game on the Xbox 360, and some will be playing this game on the 3DS. Some will be getting paid money for this game and others will not. Some will be playing

---

this game on their PCs, while others will be playing this game on their Apple products. Some will be playing this game on their android or ios devices. Others will be playing this game using their blackberries, windows phones, and the like. Some will be playing it on their notebooks, others will be playing it on a iTouch. Some will be playing this game on their smart TVs, while others will be playing it on their iPads. Some will be
